Wooden Coarse Cat Litter

Suitable for longhaired or shorthaired cats

Available size: 10L Bag — Stock code: SM-MF02

Your smarter choice

Superior clumping action

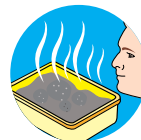

Keeps your cat clean & healthy

Superior absorbent mineral (bentonite) which clumps immediately when in contact with any liquid or solid waste prevents tracking in your home.

Anti-bacterial

Reduces odour

Superior capability to absorb ensures bacteria and odour are well-eliminated and keeps your pet's living condition hygienic at all times!

Long lasting

Environmental friendly

Superior clumping ability makes cleaning up simple and easy yet cost efficient. Scoop the clump and throw it away. The remaining litter is ready to be used.
